

MAKE A DIFFERENCE

The Dauphin and District Allied Arts Council, Inc. ("DDAAC") is a registered charitable organization, relying on funding from numerous sources for building upkeep and arts-related programs

"Your donations will support, promote, and further enhance the arts in Dauphin and area."

DIRECT DONATIONS

There are many future plans, with sourcing of funds always a constant challenge.

Currently the DDAAC is raising funds to add air conditioning to the auditorium - a project more complex than it sounds. The building is heated by steam with no ducts to connect to for circulating cooled air. This coupled with our heritage building status has raised the project cost to around \$140,000. We have completed electrical, structural and cooling system specification reports for use when seeking tenders to supply/install a comprehensive and effective system.

OPPORTUNITIES FOR GIVING

Cash Gifts

This is the most common charitable contribution. A cash gift can be given now for which a tax receipt can be issued to benefit you in this or in future tax years.

Bequests

These are gifts made in a will. This type of gift may include cash, securities or property. Bequests may also generate a tax credit for your estate.

Life Insurance

A gift of life insurance allows you to make large gift in the future by paying smaller amounts over time.

Multi-year Pledge

You make an initial contribution and a commitment to add to the initial donation over a period of years.

Charitable Registration Number

OTHER WAYS OF GIVING

The DDAAC has an ongoing list of the Art Centre projects. At any time a tax deductible donation may be made to help us with:

- ↳ Boiler / Air conditioning
- ↳ Kitchen renovations
- ↳ Bathroom renovations
- ↳ Firehall upgrades
- ↳ Repointing / replacing exterior brick
- ↳ To be used as needed at the discretion of the Arts Council.

Some of the other plans we have include finishing the front entrance revitalization started in 2010, exterior flood lighting installations and new exterior wall sconces to complement the recently erected wrought iron gazebo seating area, and completion of landscaping. We want to enlarge and refurbish the main level washrooms to make them wheelchair accessible, renovate the upper kitchen, upgrade our Old Fire Hall area, and complete other repairs and improvements, including those needed for a spectator activities license.
